AMERICA WAKE UP, No. 101

INTERVIEW WITH JOHN NOBLE

ANNOUNCER: AMERICA WAKE UP, in cooperation with the Daughters of the American Revolution, State of Illinois, presents Phyllis Schlafly:

ANNOUNCER: During the past year the DAR received citations from two Government Departments. The first, a colorful hand-done plaque awarded by the United States Department of Agriculture, reads as follows: "Award for Conservation Achievement presented to the National Society, Daughters of the American Revolution for outstanding contributions through the years to the conservation of the nation's forests and related resources ... key essentials of America's Heritage." The other award was a Citation presented by the United States Treasury Department to the National Society, Daughters of the American Revolution "in recognition of patriotic service in strengthening the Nation and its citizens through the United States Savings Bonds Program." These recent awards illustrate two of the many ways that the DAR cooperates with our Government to protect our American heritage.

Listen in again next week at this same time for another in the series of programs called AMERICA WAKE UP.
