PHYLLIS SCHLAFLY:

ANNOUNCER: Among the outstanding activities in the field of youth work sponsored by the Daughters of the American Revolution is the Junior American Citizens Clubs. These clubs, for which the DAR provides the leadership and the financial backing, welcome all children and young people regardless of race or creed, from kindergarten through senior high school. JAC Clubs work in many ways to aid their schools and communities. Among those aided by the JAC Clubs are the handicapped, the Cuban refugees, and children in settlement houses. One of the JAC Clubs has four times won a Valley Forge Freedoms Foundation Award. For the last three years, most of the Clubs have participated in a national essay contest sponsored by the DAR, designed to build patriotism and an appreciation of our American heritage, for which 291 national awards were presented. Many JAC Clubs participate in Flag programs and other activities worked out in cooperation with local schools.

Listen in again next week at this same time for another in the series of programs called AMERICA WAKE UP.
