AMERICA WAKE UP, No. 126

INTERVIEW WITH GENERAL CLYDE J. WATTS

ANNOUNCER: AMERICA WAKE UP, in cooperation with the Daughters of the American Revolution, State of Illinois, presents Phyllis Schlafly:

MRS. SCHLAFLY:

ANNOUNCER: The Daughters of the American Revolution was one of the first voices in the United States which correctly identified Fidel Castro as a Communist and his revolution as an operation of the international Communist conspiracy. DAR leaders had the courage to stand by their convictions during a period of many months when prominent persons in government, education and our communications media labored under the delusion that Castro was the Robin Hood of Cuba. Castro is one of the many issues regarding which time has proved the accuracy and the vision of the DAR, whose first convern will always be the protection of American liberty and independence. One of the reasons why the DAR was right about Castro is that its members are kept informed by the National Defense monthly mailings -- a source of reliable information not usually found in the daily press. Members and non-members alike may subscribe to this valuable service for $2.50 per year by writing the Daughters of the American Revolution, 1776 D Street, Northwest, Washington, D.C.

Listen in again next week at this same time for another in the series of programs called AMERICA WAKE UP.
